

TEAM NAME:
CS 50 PROJECT PRESENTATION

Evaluate others as you would have others evaluate you (e.g., gently, respectfully, constructively).

QUESTIONS

For each question below, please indicate whether that aspect of the presentation was:

E Excellent

A Acceptable

M Marginal

U Unsatisfactory

- ☐ The project vision was presented clearly and persuasively.
- ☐ The key technical issues were identified clearly.
- ☐ The design/architecture was presented clearly, and addressed each key technical issue.
- ☐ The English was correct. The pronunciation was correct. The speakers could be heard.
- ☐ Visual aids clarified the presentation.
- ☐ The presentation was equally divided among the team and complete, and finished on time.
