“Let us make our future now,
and let us make our dreams
tomorrow’s reality.”

— Malala Yousafzai, Pakistani female activist, Nobel Prize laureate

Technologies

- Platform **Unity3D**, **Oculus Rift**
- Web service **Python Flask**, **Bootstrap**
- Medical imaging **DICOM**
- Videos streaming **WebRTC**

INTERACTION

Making virtual reality *unique* and *necessary*.

Otherwise we'd rather do the same thing on a computer.

We choose to go to the moon,
not because they are easy,
but because they are hard,
because that challenge is
one that we are willing to accept,
one we are unwilling to postpone,
and one which we intend to win, and the others, too.

— John F. Kennedy
